

Year 8 KS4 Student Pathways – Blue

Name

Core Subjects

There are a number of subjects that all students will study and the names of these subjects are provided below.

English Language / English Literature / Mathematics / Combined Science or Separate Sciences / RE / Digital Literacy / Core PE

Humanities Pathway

All students continue their studies in both Geography and History as they enter Y9. Building on their learning in years 7 and 8, students increase their depth of understanding as they explore key topics that are also part of the GCSE courses in these subjects.

At the start of the summer term in Y9, students will then study one of these subjects, having had the opportunity to make this selection during the course of the spring term in Y9.

Communication Pathway

Students need to choose one of the 3 subjects below. If Computer Science is chosen then students are advised to choose French from the Creative and Performance Pathway. In addition students are reminded to consider the guidance they have been given by their Language teacher when choosing between French and Spanish.

- French
- Spanish
- Computer Science (If chosen, you must select French from the Creative Pathway below in order to study the full suite of English Baccalaureate subjects)

Creative and Performance Pathway

Within the Creative and Performance Pathway you must choose to study one of the subjects listed below:

- Fine Art (Art & Design)
- Photography (Art & Design)
- Graphic Design (Art & Design)
