LEARNING
FOUNDATION

Please read this information carefully and confirm you have understood it by signing the box in the Direct Debitform on the back of this sheet.

1

Your contribution to us, the Learning Foundation, is a voluntary donation.

If you fill in the Gift Aid declaration this will help cover the administration costs of running the scheme. It often leaves small amounts which we then pay as a grant to support your school's Learning Programme.

If you do not fill in the Gift Aid declaration, we will use your donation to pay any costs.

2

We are an education charity (registration number 1086306). You can find out more about us on our website at www.learningfoundation.org.uk.

3

If you fill in the Gift Aid declaration on the Direct Debit form, we will claim an extra 25p from the Government for every £1 you donate.

4

You should only fill in the Gift Aid declaration if you live in the UK and pay income tax or capital gains tax. Other taxes such as VAT and council tax do not qualify.

5

Your school will suggest an amount for a regular donation, but you can pay more or less if you want to.

6

By making this donation, you do not own or have any rights over any equipment. Your child's school is responsible for the equipment.
